ABOUT

WHO I AM

DJ, event producer, and founder of Swashtara — Zagreb's most talked-about queer party.

For 8+ years I've been reading crowds, building atmospheres, and creating spaces where people feel completely free.

Whether it's a 4-hour poolside set on Hvar, an Elle Style Awards party, a wedding, or an underground club night — I bring the same thing every time: intention, energy, and a setlist that moves people.

Equally comfortable behind the booth and behind the scenes. One person. Complete package.

MON SAI · SERVICE

A set curated for your evening, not just any evening.

MON SAI plays for private and intimate events — dinners, celebrations, launches, and evenings that call for taste rather than volume. As a DJ since 2018 and founder of the event brand Swashtara, Monika doesn't just show up to play music: she reads the room, the guests, and the pace of the evening, guiding them from the first aperitivo to the last dance.

01 · PRIVATE DINNERS & APERITIVO

Unobtrusive, refined sound that builds together with the evening.

02 · CELEBRATIONS & BIRTHDAYS

From lounge atmosphere to the dance floor, without abrupt shifts.

03 · BRAND & BOUTIQUE EVENTS

Launches, pop-ups, openings. Sound that carries the brand's identity.

04 · INTIMATE WEDDINGS

Cocktail hour, dinner, and after-party in one seamless arc.

HOW IT WORKS

I · GETTING TO KNOW

The space, the guests, and the rhythm of the evening — before the first song.

II · DRAMATURGY

A set that follows the evening and your wishes, not a fixed playlist.

III · DISCRETION

A setup that fits the space and never disrupts the aesthetic.

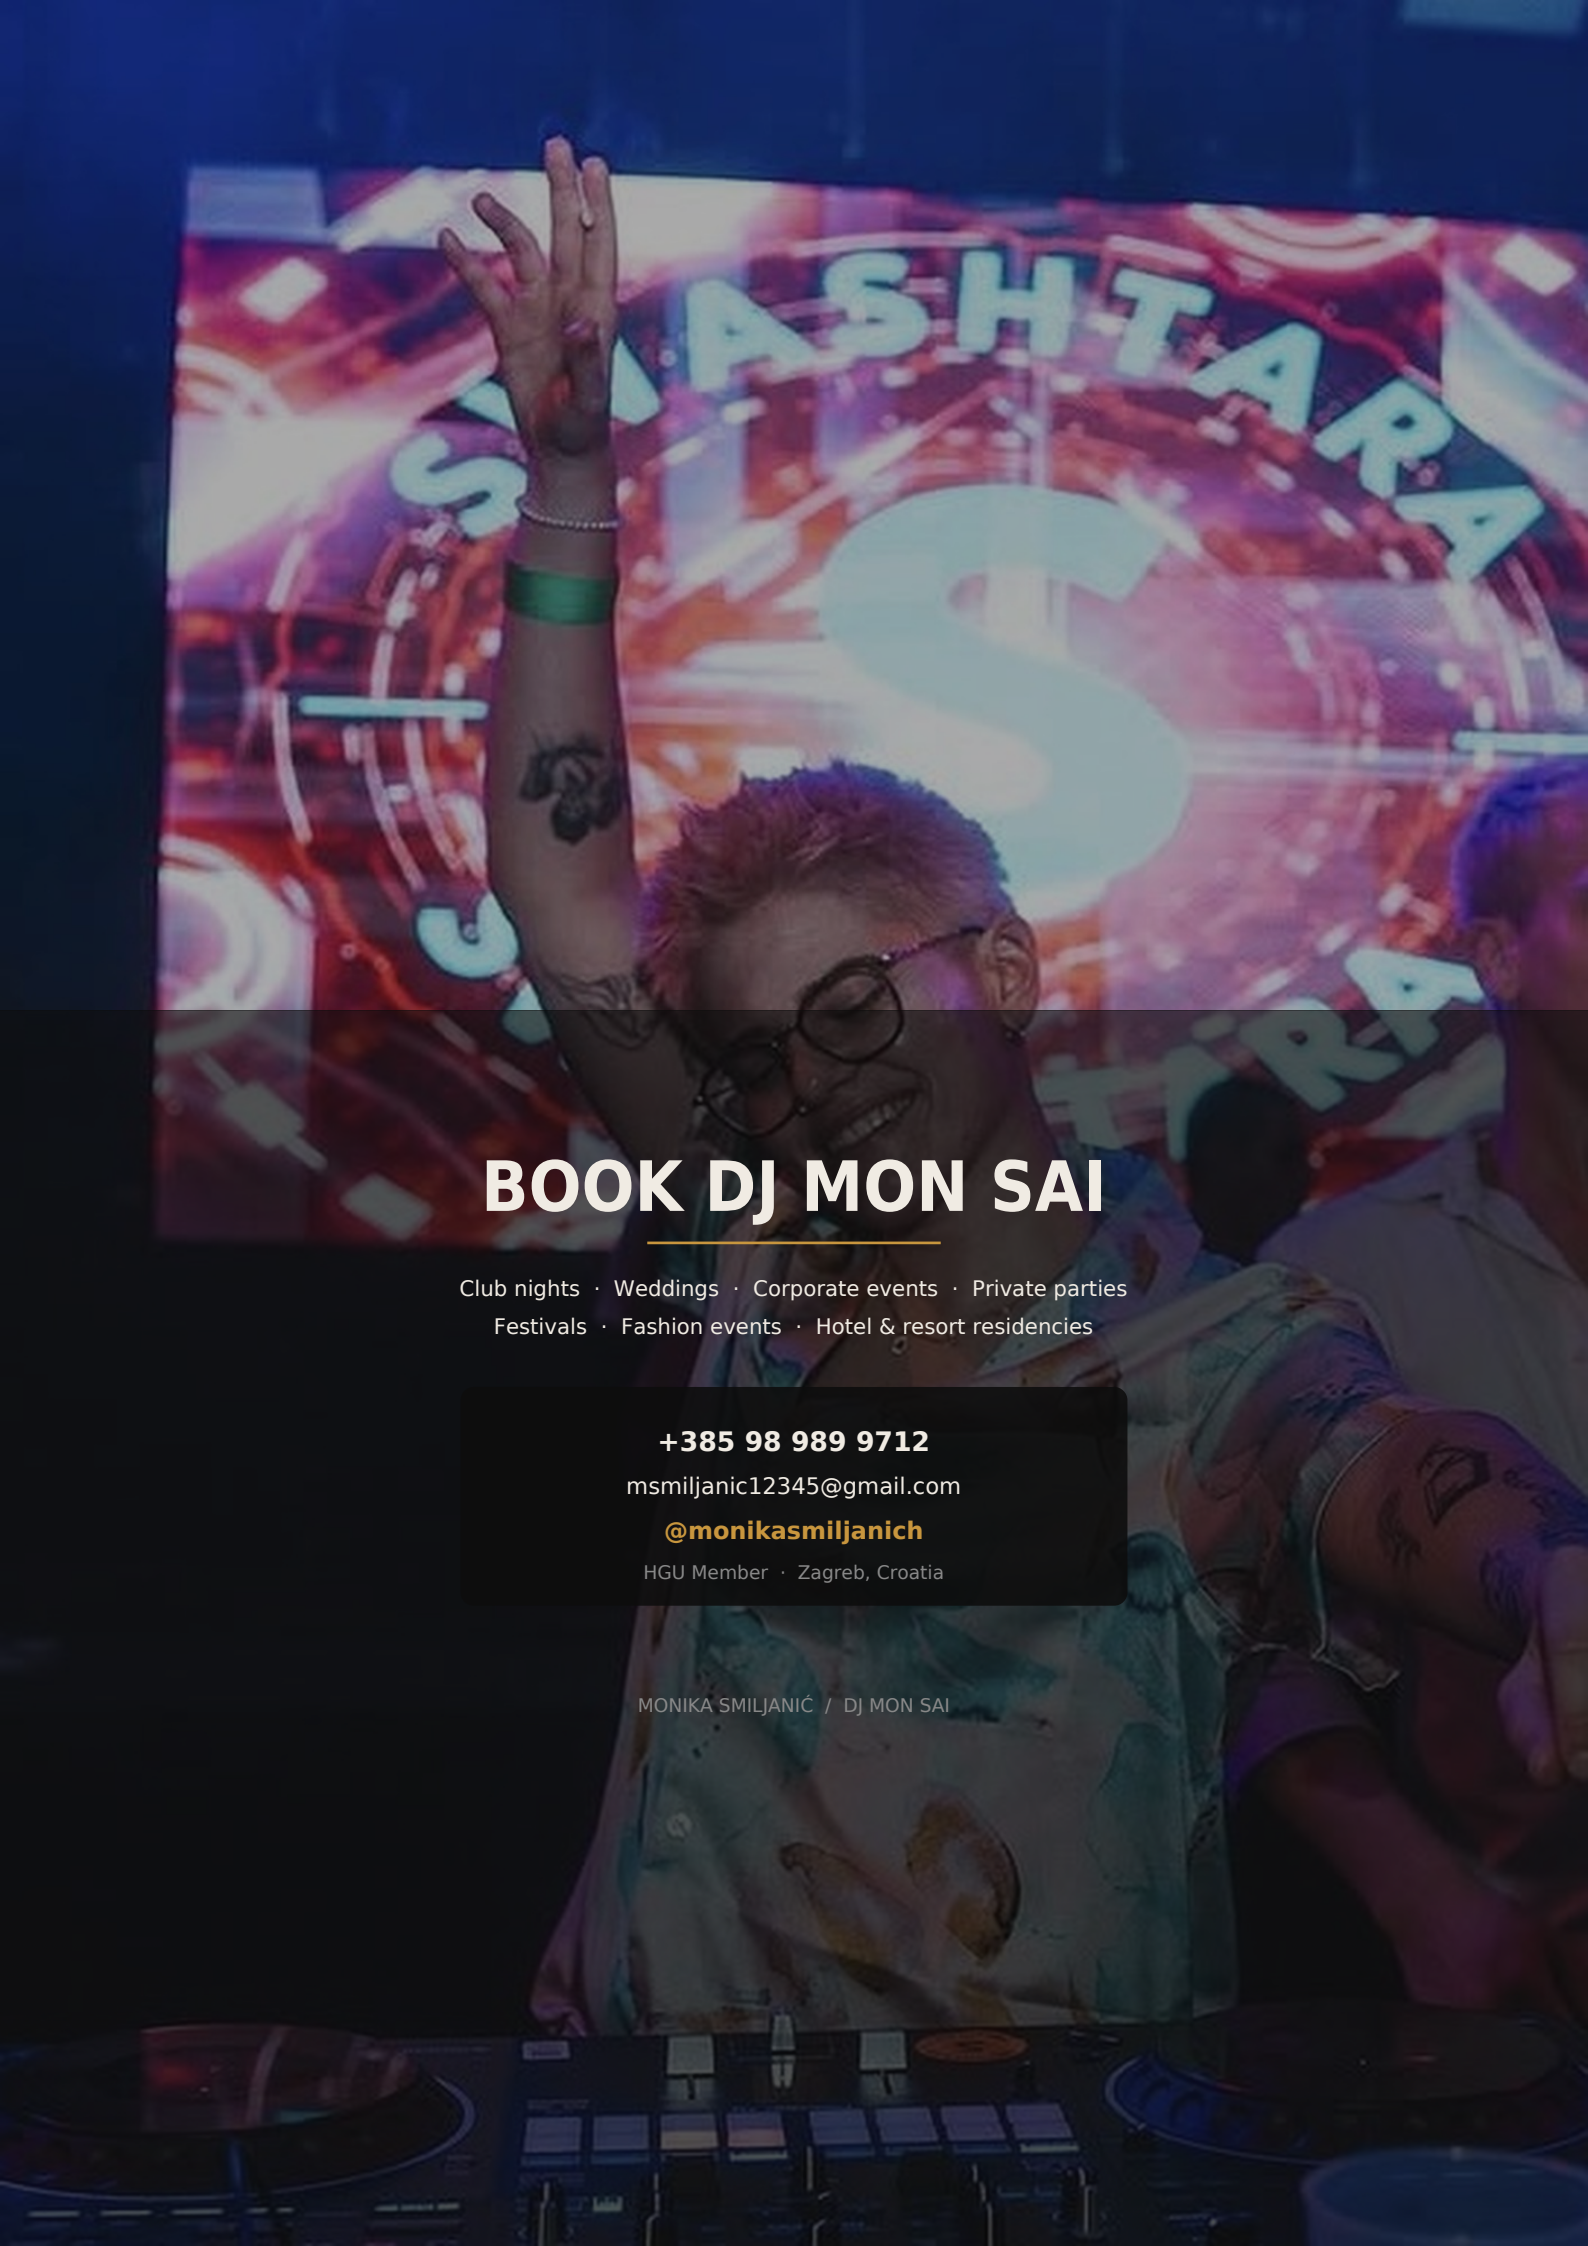

BOOK THE SET

A DJ with short pink hair, glasses, and a green wristband is performing at a club. They are smiling and have their right arm raised. The background features a large, illuminated sign that reads 'SWASH TARA' in a stylized font. The DJ is wearing a light-colored shirt with a graphic design. The overall atmosphere is vibrant and energetic.
